Animal Admission Policy RMFBR

RMFBR accepts admission of French Bulldog and French Bulldog mix dogs. If the need is dire, other brachycephalic dogs may be considered on an individual need basis.

Aggressive and/or fearful animals are accepted on an individual basis based on evaluation from a representative of RMFBR.

Special-needs animals are welcomed at RMFBR.

Admission decisions are made based on our ability to provide appropriate housing and care for each animal's unique needs.

Our admissions process includes communication between the surrendering owner and a representative of RMFBR.
